Cascade Medical Center Board Minutes  
September 16th, 2020  
CMC Conference Room  
12:00 pm – 2:00 pm

Trustees present in person: None  
Trustees attending remotely via Zoom: George Greenfield, Lesa Becker, Jacque Zemlicka, Rachel Smith, Mary Tracey, Anthony Henry and David Gough  
Members absent and excused: none  
Others present: Tom Reinhardt, Teri Coombs, and Sarah Hasbrouck

Call to Order: Meeting called to order by George Greenfield at 12:03 PM.  
Approval of Agenda: Motion to approve the agenda was made by David Gough, seconded by Jacque Zemlicka; all in favor, motion passes.  
BOT Minutes: Minutes from the August 19th meeting were reviewed. Mary Tracey suggested a correction on page 5 of 7 to change “met” to “meet” in reference to the Strategic Planning Committee. This will be corrected.  
A motion to approve the minutes once corrected, was made by Anthony Henry, seconded by Rachel Smith; all members were in favor, motion passes.

Operations Report:  
Medical Staff Minutes:  
Teri presented the Board with the September 10th, 2020 Medical Staff Minutes, which include the Utilization Report and Volume Trends, for review.  
Attention was called to Flu Vaccine Plan. It was discussed that employees would be required to receive their flu vaccination prior to October 31st as a condition of their employment. Additionally, the clinic will be providing multiple drive thru options for patients to receive flu shots while remaining outside the building, as well as going on site to some of the larger employers to administer flu shots this year.  
The Utilization Review and Volume Trends for the month of August 2020 were as follows:  

Utilization Review:  
- Total ER Visits: 166 (177 August 2019)  
- Total OP Visits: 11 (36 August 2019)  
- Total Physical Therapy Visits: 291 (343 August 2019)  
- Total Clinic Visits: 486 (546 August 2019)  
  - Dr. Ellsworth: 83  
  - David Hill: 35  
  - Heather Lewis: 77  
  - Dr. Dardis: 48  
  - Courtney Hill: 58

INPATIENT CARE PLANS:
There were four inpatients in the month of August, all of the charts contained a complete care plan.

Financial Reports & CARES Act Status:

David presented updated financials for August, as well as the Variance Table. These were reviewed by the member of the BOT and have been included as Attachment A following the official version of the minutes for this meeting.

It is noted that David notified the members of the board he is currently in the process of auditing our 340B program to review all of the current information as well as looking at how the revenue and expenses related to the 340B program are being booked to what accounts in both Income Statement and Balance Sheet locations.

David also presented slides on the CARES Act, including additional context and background for each of the various CARES programs. He noted that the net amount of reserved funds will be recognized on the September financial statements.

David, then notified the members of the board of a budget discrepancy relating to the approved FY21 budget relative to the subsequently filed L2 worksheet (Tax Levy worksheet). Since the budget is required to be posted publicly prior to the L2 spreadsheet being finalized, the amount of tax revenue
assumed in the FY21 budget does not equal the amount of tax revenue CMC will levy for as reflected in
the L2. Specifically, the Budget reflects $77,159 more in tax revenue than CMC will levy to receive in
FY21. This shortfall will be discussed further at the next Finance Committee meeting at the request of
Finance Committee Chairperson, Mary Tracey.

COVID Update

Tom presented data of the current number of tests and positive results. Updated information included the
process in place to administer flu shots this fall for both employees as well as members of the community.
Additionally, Teachers within our county will now be included in the list of people eligible for Rapid
COVID testing for exposure screening or to release back to work safely.

CEO Report / New Business/ Unfinished Business:

CEO Update:

Tom presented slides notifying the board of updates happening within the medical center. Space change
discussion are currently underway to expand the lab area which will include a separate area for the lab
draw chair and sample collection. A new registration desk has been added to the waiting area of the
hospital, which will allow for better COVID screening of patient sand visitors, and provide better
utilization of the old registration office, making room for the lab expansion.

Human resource functions will now fall under David and Amy. David is currently working on a new staff
onboarding presentation which will include benefit information, as well as shadowing of different
departments prior to beginning orientation in the hired department. Additionally, HR will provide
oversight and record keeping for HealthStream (the online learning and compliance platform).

The numerous facility upgrades and improvements for the year were shared with the members of the
board, as well as the current volume trends for the facility as a whole, and each of the departments.

Executive Session:

Executive Session was not held during this meeting.

Committee Reports:

Finance Committee:

Members:
Mary Tracey, Chairperson
Jacque Zemlicka
David Donnahoo
Tom Reinhardt

The Finance Committee met at the end of August. Discussions included the CARES Act funds, and how
to calculate lost revenue due to the drop in volumes related to the pandemic. The Charge Master Review
and proposed increase to the current charge master were discussed. More information about pricing
comparisons to lab costs in Boise were requested prior to a recommendation to increase or stay at current
pricing. The new pricing transparency requirement (posting payor-specific pricing on CMC web site)
was also discussed, which we will need to be compliant with by 12/31/2020. Lastly, the transition from debit to credit cards has been completed.

Quality Assurance, Performance Improvement and Compliance Committee:

Members:
Lesa Becker, Chairperson
Rachel Smith
David Gough
Aline Lee
Tom Reinhardt
Teri Coombs

The Quality Assurance, Performance Improvement and Compliance Committee met in September. Discussions included Pandemic Management, Diabetes Quality Indicators in the clinic, especially making sure that patients are educated for additional engagement in their care management. The RN staff in the ED are doing a great job with patient callbacks. Patient satisfaction for both the clinic and hospital are positive as well.

Strategic Planning Committee:

Members:
Anthony Henry
David Gough
Mary Tracey
Tom Reinhardt
Karolyn Plehal
Ann Young

The Strategic Planning Committee did receive a high level plan overview from the consultants at Wipfli, which included multiple options for expanding space for the clinic, hospital, and physical therapy. The consultants provided high level schematics that show options both staying at the current location, as well as a building a replacement hospital at a new location.

It was recommended by Anthony Henry, and then the motion was made by Anthony, that Tom be given permission to begin conversations with local land owners about potential future expansion options. Rachel Smith seconded this motion; Mary Tracey abstained from voting; all other members were in favor, motion passes.

Other/Next Steps:

Agenda topics for next meeting:

- Executive Session: Personnel
- COVID Updates
- Strategic Planning Committee will provide update of expansion proposals

Adjournment: The meeting was adjourned by George Greenfield at 2:47 PM.

The next meeting is scheduled for October 21st, 2020 at 12:00 PM.
