INPATIENT CARE PLANS:
There were two inpatients in the month of May, both charts contained a complete care plan.

Financial Reports & CARES Act Status:
Tom presented updated financials for May, as well as Variance Tables. These were reviewed by the member of the BOT and have been included as Attachment A following the official version of the minutes for this meeting. Mary Tracey requested that offsets to revenue be discussed at the next Finance Committee Meeting.

Tom also presented a newly developed dashboard itemizing the various COVID Grants and CARES Act Details, including amount received, criteria and/or requirements, action taken and additional notes. This will be utilized to guide future purchases and staffing needs, as well as guide compliance with each of the grant’s requirements. Mary Tracey requested that YTD total of COVID-19 expenses and projected revenue losses be included with the Financial Reporting & CARES Act Status going forward.
Resolution of 2008 Donation to Support Cascade EMS:

CMC holds funds in a dedicated savings account to be used for training Cascade EMS, funds that were donated in 2008 by a private citizen. The original donation was made to CMC with the instruction that half be used by the hospital and the other half is for EMS. CMC has used all of their allocated funds, and would like to transfer the remaining funds to Cascade EMS for their full control. Assurance from Cascade EMS of their understanding that these funds are for education/training only has been received by CMC. Therefore Mary Tracey made a motion that the remaining funds be transferred out of CMC’s account and into the control of Cascade EMS, Lesa Becker seconded the motion. All members were in favor; motion passes.

Medical Staff Privileges:

Sarah presented a request for Active Privileges to be granted to Heather Lewis, PA-C, with a start date of July 15th, 2020. The credentialing packet was reviewed and included the recommendation to grant these privileges from the Medical Staff at their meeting on June 10th, 2020. There was one deficiency noted, as the ATLS certificate previously held had lapsed. Due to current COVID limitations, ATLS courses are not being held within a reasonable distance for her to recertify before beginning employment. It is recommended that she enroll and attend the next available course once they become available.

David Gough pointed out that the Idaho Board of Medicine License for Heather Lewis expires on 6/30/2020. It was noted by Sarah that the IBOM is not currently processing renewals, and that all licenses expiring on 6/30/2020 have been extended to October 31, 2020. The official proclamation stating this from the Idaho Board of Medicine will be included in the credentialing packet.

Jacque Zemlicka motioned to accept the request of Heather Lewis, PA-C to be granted Active Privileges at Cascade Medical Center for a term of 2 years beginning July 15th, 2020. This motion was seconded by David Gough; all were in favor, motion passes.

CEO Report / New Business/ Unfinished Business:

Tom notified the board that the new Spacelabs Patient Monitoring system is fully functional, allowing for the remote cardiac monitoring of up to six patients, with one dedicated unit in Physical Therapy.

Together on Tuesdays is a new community walking group that will begin in July. CMC will coordinate group walking events, and provide a brief health related information session for those who attend. The idea is to get members of the community connected to each other as well as walking together.

There is a new billboard now displaying both wayfinding information to CMC, as well as a reminder to wear masks at this time. Additionally, the county installed a new blue “H” sign on Warm Lake Road to help with wayfinding to the hospital.
Multiple applications for the Finance position have been received and interviews are in progress.

CMC has been the recipient of several grants from 1/1/2020 to present, with the most recent awarded by the Idaho Community Foundation for $15,000 to support the Community Needs Assessment in our strategic planning efforts.

**FY2021 Budget Process & Timeline:**

**Board Governance:**

Upon review of the current bylaws, it was noted that in Article 7: Committees; specifically Article 7.2 outlining the Executive Committee members, includes the presence of the Treasurer at Executive Committee meetings. It was advised by legal counsel that the word Treasurer be stricken from the bylaws in Article 7.2, so that it represents our current practice.

Lesa Becker made a motion to strike the term “Treasurer” from the Board of Trustee Bylaws in Article 7.2, this motion was seconded by Rachel Smith; all members were in favor, motion passes.

George Greenfield, Chairman excused himself from the meeting at 1:30PM, and turned the meeting over to the Vice-Chairperson, Lesa Becker for the remainder of the Agenda Items.
