

First Public Notice 10-27-2022

**REQUEST FOR QUALIFICATIONS
FOR DESIGN/BUILD SERVICES**

Design/Build Services (D/B) RFQ proposals, shall be addressed to Cascade Medical Center (CMCHD), Attention: Tom Reinhardt, CEO, and are due by no later than 4:00 p.m. MST, 11/10/2022.

The project scope of work is set forth in the Request for Qualifications (RFQ) document. The project consists of designing and constructing a new, approximately 5,000 square foot building for a Physical Therapy Clinic, also including finished open space and the associated sitework to be located on an existing parcel adjacent to the Cascade Medical Center at 402 Lake Cascade Parkway, Cascade, Idaho, 83611. The D/B firm's comprehensive services shall include the design (building and site), building construction/fabrication, delivery, and installation services.

A Request for Qualification shall be available on the Cascade Medical Center website, cmchd.org. Respondents shall restrict all contact with owner and direct all questions, in writing, regarding this RFQ, including questions regarding terms and conditions, to CMCHD's representative: Bob Walker (612) 306-7143, bwalker@walkerus.com.

Cascade Medical Center reserves the right to reject any or all proposals and to waive all defects and irregularities in the proposal process except time of submitting a proposal. The successful offeror, if any, will be the offeror offering the best value for Cascade Medical Center based on the published selection criteria provided in the proposal documents and on its evaluation in accordance with Idaho Code.
